Secret Letter No SB 690/47-48 dated 29-5-48 from the I.G. of Police, Bangalore, stating that his secret report to Govt. regarding Janab Abdul Bawkin's (Asst Comm'r C.O.D. in Mysore Sponsilk Mills Channapatna) direct dealing with the Pakistan Govt. seeking an appointment there, has been disclosed, as evidenced by the news in this regard appearing in the Swatantrodaya of 9-5-1948, and if secrecy of such letter are not preserved, the very object of interception would be frustrated and hereafter the security measures and suggestions in the circumstances that suitable action be taken to prevent such matters being divulged to outsiders.

Submitted for perusal and orders.

1) The "Swatantrodaya" paper is one which often indulges in violent criticism of Govt. It appears necessary that the movements of its Editor and its representatives should be watched and the sources from which the information of this kind is obtained by him ascertained.

Sir,

I have the honour to state that a copy of a lett-er addressed by Janab B.M. Abu Baker, Senior Assistant Commissioner, OOD as Secretary. The Mysore Spun Silks Ltd., Channapatna, to the Chairman, Karachi Jointwali Board, Karachi, applying for an appointment as - Secretary and Pay & Accounts Officer of the Board, was brought to - the notice of Government in this office letter of even No. dated - 19-4-1948. But unfortunately, the secrecy of his correspondence does not seem to have been preserved, as the Kannada daily SWATHANTHRODAYA' in its daily dated 9-5-48 has published an article under the caption " [illegible] " stating that one of the - officers of the Mysore Government, who is drawing a pay of Rs. 600/- P.M., has been trying for an appointment on Rs. 1000/- in the Pakistan Government and that orders promoting him as Assistant Director of - Industries & Commerce are under issue etc. This presumably refers to Janab Abu Baker referred to above, who mentions the fact of his not receiving orders posting him as Deputy Director of Industries. If the secrecy of such letters are not preserved, the very object of - interception will be frustrated and security measures will be of no avail.

Under the circumstances, I request that suitable action may be taken to prevent such matters being divulged to outsiders; so that the secrecy of interception may be preserved. A copy of the cutting is herewith enclosed.

I have the honour to be,
Sir,
Your most obedient servant,

For INSPECTOR GENERAL OF POLICE
